Who was the mastermind behind the whole KringleCon plan? And, in your emailed answers please explain that plan.

Main Challenge

Who Is Behind It All?

[Piano lock for the door right to Alabaster Snowball](#)

I'm seriously impressed by your security skills. How could I forget that I used Rachmaninoff as my musical password?

Congratulations, you've stopped Hans! Now solve all remaining objectives in your badge.

YAY! You won!

Rachmaninoff > Really, it's Mozart. And it should be in the key of D, not E.

Door lock

Who Is Behind It All?

Solution

1. Take a look at the document sent from Holly Evergreen to Alabaster Snowball in challenge 8-Network Traffic Forensics

To look at it another way, consider a song "written in the key of Bb." If the musicians don't like that key, it can be transposed to A with a little thought. First, how far apart are Bb and A? Looking at our piano, we see they are a half step apart. OK, so for each note, we'll move down one half step. Here's an original in Bb:

D C Bb C D D D C C D F F D C Bb C D D D C C D C Bb

And take everything down one half step for A:

C# B A B C# C# C# B B B C# E E C# B A B C# C# C# C# B B C# B A

2. After you read it, you will find how to do the chord transposition from E to D in the musical password we just got.

ED#ED#EED#EF#G#F#G#ABA#BA#B

3. Method 1 : Manually do the chord transposition,

From E > D is back one step then take everything back one step for D :

E	D
D#	C#
E	D
D#	C#
E	D
E	D

D#	C#
E	D
F#	E
G#	F#
F#	E
G#	F#

A	G
B	A
A#	G#
B	A
A#	G#
B	A

So the door password will be :

DC#DC#DDC#DEF#EF#GAG#AG#A

You can use this chart will help you from this website : <http://www.simusic.com/chordchart.html>

Who Is Behind It All?

4. **Method 2:** Use online tool to auto the transpose from E to D :

Online chord transpose tool : <http://tabtuner.com/>

Online chord transpose tool : http://www.transposechords.com/song_transposed/

5. Goto Piano Lock > Enter the password

D C# D C# D D C# D E F# E F# G A G# A G# A

Who Is Behind It All?

You DID IT! You completed the hardest challenge.

You see, Hans and the soldiers work for ME. I had to test you. And you passed the test!

You WON! Won what, you ask?

Well, the jackpot, my dear! The grand and glorious jackpot!

You see, I finally found you!

I came up with the idea of KringleCon to find someone like you who could help me defend the North Pole against even the craftiest attackers.

That's why we had so many different challenges this year.

We needed to find someone with skills all across the spectrum.

I asked my friend Hans to play the role of the bad guy to see if you could solve all those challenges and thwart the plot we devised.

And you did!

Oh, and those brutish toy soldiers? They are really just some of my elves in disguise.

See what happens when they take off those hats?

Based on your victory... next year, I'm going to ask for your help in defending my whole operation from evil bad guys.

And welcome to my vault room. Where's my treasure? Well, my treasure is Christmas joy and good will.

You did such a GREAT job! And remember what happened to the people who suddenly got everything they ever wanted?

They lived happily ever after.
